HOCHBERG, District Judge:

This matter having come before the Court by way of letter dated September 28, 2007, regarding Plaintiff's failure to respond to discovery; and the United States Magistrate Judge having conducted a telephone conference on October 5, 2007; and Plaintiff's counsel having advised the Magistrate Judge that he has been unable to contact his client; and the Court suggesting that the case be administratively terminated for a finite period to enable plaintiffs counsel to locate his client and determine if the client wishes to proceed with this case; and the parties agreeing to the administrative termination of this case; and for good cause shown,

IT IS on this 9th day of October, 2007

ORDERED that the Clerk shall administratively terminate the action in his records, without prejudice to the right of the parties to reopen the proceedings so long as a written request to reopen is filed on or before **December 31, 2007**. If there is no request to reopen these proceedings on or before **December 31, 2007**, then the Complaint will be dismissed without prejudice; and it is further

ORDERED that Plaintiff's counsel shall provide a copy of this Order to the plaintiff by regular mail and certified mail/return receipt requested.
